When.

to wear glasses in reading but who positively ought not to wear them on the street. There are some who ought to wear them every minute on the street but who ought to take them off in reading. Some ought to wear them all the time. Some ought not to wear glasses at all. It is my business to tell you when you need them and when you do not need them. To tell you how to use glasses and how not to use them. With my facilities for examining and measuring the eyes I can tell just the condition of your eyes. I can tell whether you are misusing them or taking care of them. The consultation and advice cost you nothing. I only charge for glass if you order them.
